To Whom It May Concern:

Thank you for your contribution to the Silent Auction of the 2004 ICRF Silver Anniversary Tower of Hope Ball.

On the evening of Sunday, December 5th, 2004, the Israel Cancer Research Fund/ICRF was proud to honor several extraordinary friends: Professor Elie Wiesel, recipients of the 2004 Humanitarian Award, Tony Kushner, recipient of the 2004 Awareness in the Arts Award, and Drs. Helen and Stephen Colen, recipients of the 2004 Dr. Daniel G. Miller Excellence in Medicine Award.

And while honoring these outstanding women and men, we celebrate the exciting news that two ICRF-funded scientists won the Nobel Prize in Chemistry – the first time a Nobel in science went to an Israeli.

ICRF is deeply grateful for your commitment to ICRF's mission of eliminating cancer – it allows us to pursue our goal for the benefit of all mankind.

I thank you again for your generous donation. We look forward to your continued support and friendship.

Sincerely,

Yashar Hirshaut, M.D.
